# Supplier Access to General Dynamics Land Systems iSupplier

1. Install Microsoft Authenticator on your phone.

2. On your computer, go to https://isuppliermfa.gdls.com/.
3. Enter your work email address on the Microsoft login page.
4. You will be asked to login. This may be your Microsoft account password or a phone authenticator. Follow the on-screen prompt. The authentication for this login step is managed by your organization and not GDLS.

5. Follow the on-screen prompts. You will reach a page with a QR code. Use Microsoft Authenticator to scan the QR code on your browser screen to add your GDLS MFA login account.

Keep your account secure

Microsoft Authenticator

Scan the QR code

Use the Microsoft Authenticator app to scan the QR code. This will connect the Microsoft Authenticator app with your account.

After you scan the QR code, choose "Next".
