- f) Where specifically modified in this Contract.

FAR and DFAR clauses apply to solicitations and are to be flowed down by Buyer to Seller pursuant to this provision may require submission of representations and certifications, all of which made in connection with this Contract, including all such certifications submitted by Seller in its Seller’s Form SCM- 072 Supplier Compliance Representations & Certifications submitted to GDLS which will be considered as current in its offer are hereby incorporated in this Contract by reference. Seller shall provide immediate written notice to Buyer if, any time prior to award of any order it learns that its representation(s), certification(s), and/or disclosure(s) was erroneous, when submitted, or has become erroneous by reason of changed circumstances. Seller shall, with respect to applicable FAR and DFAR clauses flowed down pursuant to this provision, furnish to Buyer (or directly to the Government upon request of Buyer) any certificate required to be furnished by any FAR or DFAR clause and any certificate required by any further U.S. law, ordinance, or regulation with respect to Seller’s compliance with the terms and provisions of U.S. laws, ordinances, or regulations.
